Human Resources is a critical component to the success of our organization and OCPS continues to grow and thrive throughout the community. Currently, we are the second largest employer in Central Florida and we must ensure we are meeting the needs of our existing employees and future candidates.

We support the mission of being the "top producers of successful students in the nation" by recruiting and retaining highly-effective employees for all positions, creating safe and productive workplaces, setting-the-bar with quality on-boarding, and developing exceptional leadership training throughout the organization.

We will continue to strive for stellar customer service during every interaction and we look forward to working with you as part of the #OCPSFamily. If there is anything we can help you with, please reach out to us and we will be happy to assist you.
