

GRADUATION EXERCISES

FILE: IKFB

TITLE: Graduation

POLICY:

Students must meet high school diploma requirements or be receiving a Certificate of Completion in order to participate in any graduation exercises.

Graduation exercises shall be considered school functions and shall be conducted under the school principal's direction.

- (1) The principal is authorized to exclude prior to or during graduation exercises any student for misconduct or for refusing to follow established rules or procedures for graduation exercises.
- (2) School administrators may plan, schedule and conduct appropriate graduation exercises with the school board's approval.
- (3) Graduation exercises shall be prohibited for elementary and middle schools.
- (4) Adult schools may conduct graduation exercises for those adult students who have successfully completed requirements for a high school diploma or equivalent from Orange County or the Florida Department of Education, adult ESOL students who complete through the "F" level, apprenticeship program completers or any students receiving post-secondary vocational program completion certificates.
